Albany July 5th 1776

Dear Sir

Just now the post arrived from new York and Brought me a Letter from General Washington (Inclosed) a Resolution of Congress Coppy whereof you have Inclosed Requsting one to put the most early and speady stops to the raising of the Two Companies we resolved upon

I have observed to His excellency that you had Already received and Probably paid the Money and that I feared it would give great umbrage to Discharge Them but that as the order was Positive I would write to you to Comply with it, and requst you to Discharge the Stockbridge Company in such a manner as to give the Least offence; In your good sence and Knowledg of the Temper of the Indians in your Neighberhood, I hope you will find a resource upon this occasion

I am Dear Sir

Your Most Obedient

Humble Servent

Ph: Schuyler
